## THE “FSU ADVANTAGE”

EXPLORE ENDLESS POSSIBILITIES & BE TRANSFORMED.

FS University is known for providing high quality education through rigorous curriculum, expert faculty and state-of-the-art facilities. We offer a wide range of programs and courses across various fields of study, allowing students to pursue their academic interests and develop specialised knowledge and skills. FS University provides access to wide range of resources, including libraries, laboratories, research facilities, technologies, academic support services, and career services.

### RECOGNITION & ACCREDITATION

### WHY STUDY AT FS UNIVERSITY?

- Industry oriented choice based credit system.
- Personality development and soft skill training.
- Support in student progression (placements and higher education).
- Summer training and industrial training programs.
- Mock interview and test practices.
- Global experience and exposure.
- Lush green lawns, centrally air conditioned ultra modern facilities.

## INFRASTRUCTURE

### SMART CLASSROOM

FS University provides a professional, competent and expert faculty to inculcate curiosity among students. Smart classrooms are designed to create a more interactive, collaborative, and engaging learning environment that prepares students for the digital age and equips them with the necessary skills to thrive in the 21st century.

### LECTURE HALL

Classroom learning is primarily meant for theoretical and conceptual inputs with real life case studies, group learning and live projects. This is a place where our students learn and explore a wide range of topics, ranging from basic concepts to complex ideas.

### LIBRARY

A library is an essential component of university, serving as a vital hub of information and knowledge for students, faculty, and researchers. FS University possess a fully automated EPR based well stocked library management. We offer access to an extensive collection of print and digital resources, including books, journals, and databases for our students.

### Collaborations and MOUs

### COMPUTER LAB

FS University has well equipped computer labs with latest computers through which our students can access to the information, communication, skill development, and cost-effectiveness. These labs are also used by students for computer-based testing, instructional activities, and collaborative projects. We provide high processing capability computer and internet facilities for students to make learning easier and effective.

### SPORTS

FS University offers a wide range of sports activities and opportunities for students to get involved in both recreational and competitive sports. It helps to promote physical fitness, mental well-being, and social connections. Sports provide a sense of community and belonging, as well as opportunities for leadership and skill-building. Sporting facilities are offered for games such as:

- Cricket
- Volleyball
- Badminton
- Basketball
- Football
- Table Tennis etc.

### TRANSPORT

Transport facilities are provided to the students, faculties and staffs. The university has its own fleet of buses that not only takes care of daily transportation, but also being used for the study tours, industrial visits, entertainment etc.

### HOSTEL

FS University provides a safe, comfortable, and affordable place for students to live while they pursue their studies. We offer separate hostel for boys and girls. The rooms are spacious and well furnished. We have high-speed internet access, water purifier system, common room with TV. A visit by physician for the regular medical check up for students, apart from having hostel facilities at FS University campus.

### CAFETERIA

Cafeteria at FS University typically offers variety of food options, catering to the diverse needs and preferences of the university community. It is a place where people can grab a quick bite to eat and socialize with friends.
